

2004 RECORD SETTING PUMPKIN

The streets of downtown Circleville were filled with pumpkin growers and spectators to see whose giant pumpkin would tip the scales.

Circleville's own Dr. Robert Liggett is now the record holder for the Circleville Pumpkin Show with a 1,353 pound pumpkin entry.

Each participant received a medallion for participating in the Giant Pumpkin Weigh-In, the focal point of the entire Pumpkin Show!

Pumpkin Show organizers also awarded cash prizes to the winners: \$1000 for the grand champion; \$750 for second; \$400 for third; \$200 for fourth; and \$50 each to the next 10 places. Pumpkin Show concessionaires increase the first place prize with an additional \$1000 and a concessionaires' trophy.
